

PHG INDOOR PROGRAM 2026

A photograph of a room filled with numerous indoor plants. The plants are arranged on three wooden shelves against a light-colored brick wall. The pots are in various colors and styles, including white, yellow, orange, blue, red, and black. Some plants have variegated leaves, while others are solid green. In the foreground, there is a wooden table with a plant on it, and a blue wicker chair is partially visible on the right. The overall atmosphere is lush and vibrant.
